4 kW SB 4000TL (Dual MPPT)	16	3.79	14	140	\$15,988
5 kW SB 5000TL (Dual MPPT)	22	5.17	18	169	\$18,988

Advantages

- Beat the rising cost of energy
- High quality products
- Over 50 years combined experience
- Specialist engineering & accredited installers
- Over 4000 systems installed
- Tidy & polite consultants & tradesmen

Warranties

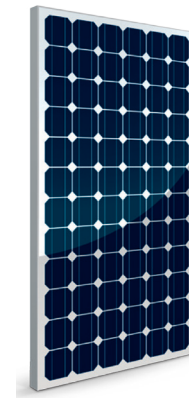

Eversolar inverter
5 years warranty

SMA Sunny Boy inverter
5 years warranty

Growatt Sungold inverter
5 years warranty

CEEG solar panels:
25 years performance warranty
5 years product warranty

* Numbers are rounded and based on daily values averaged over 365 days for north facing PV panels at optimum inclination. Larger systems, extra panels and other combinations of products are available upon request. Limited time offer. Regen Power terms and conditions apply. Prices include a standard installation in metro areas. For meter connections, please check. Prices are calculated inclusive of GST and are subject to fluctuations in the value of REC's and are individually calculated at time of install. Prices subjected to changes without notice.
